Strikes Unfair to the Public

The recent street car strike is but another instance of the general public having to bear the inconvenience of a conflict between employer and employe for which the public is in no way to blame. Every line of business was discommoded, and no end of confusion caused by stopping the cars running, and yet no one seems responsible for it, or at least no one is amenable. Compulsory arbitration would be one way to reach the matter, work to be continued during the time of arbitration. The public is impatient with such summary action of the unions and the employers, and both lose the sympathy they would be entitled to if the public was at least considered in the matter.

New Sewer to Be Built On Sixty-third Street and Wentworth Avenue

At the public hearing in the matter of building a new sewer in 63rd st. from Harvard ave. to State st. and in Wentworth ave. from 63rd to Garfield blvd., the board decided to go ahead and build it notwithstanding some opposition. There probably has been no more important measure taken in Englewood for years than the securing of this sewer, as all street improvements waited its completion. The Englewood Commercial and Civic Association was largely instrumental in securing it and credit should go to them and the committee. The opposition have 30 days to secure a petition signed by a majority of abutting property owners, but this seems unlikely, as it is such a necessity few care to stand in their own light by opposing it.

This Chapel has been spoken of, and justly so, as the most beautiful and complete in America.

This is merely an example of the many thoughtful ideas originated for your convenience in your hour of sorrow.

At that time, when the mind is in a chaos so to speak it is comforting to know that the many details in connection with a funeral are being looked after just as you would have them attended to.

This Chapel is free as are the services of an organist and the charges made for my services are quite nominal; as a matter of fact, your desire governs the price—to a very great degree.

INVEST YOUR MONEY WISELY

6% The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city realty. The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and selling them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 30 states.

Send for our Illustrated Booklet describing these safe investments.

Library Advertising Window

The Hiram Kelly Branch Library wishes to draw your attention to its advertising window on the corner of 61st st. and Princeton ave. New book displays will be made in this window from time to time, so keep yourself posted on the new books in your library by watching this space. The library is indebted to Mrs. Cropper, 5641 Michigan ave., the owner of the store for her kindness in giving the use of this window.

The only building now in progress in or out of the city is such that is absolutely necessary. The exorbitant cost of material of all kinds, the exceedingly high wages of mechanics in the building trades, renders the returns for the builder or owner so small that he can't afford to put his money, or borrow money to build. Again no one cares to loan on a building at 6 per cent and then pay half of it to the government in income tax. As long as there is a scarcity of houses, rents will raise, but no one as yet has figured out a plan to make money in building at present prices.

Vacation Cards at Hiram Kelly Library

The Hiram Kelly Library wishes to announce that beginning June 1st, vacation cards, permitting the use of ten books, will be issued. These books will be good until October 1st without renewal, and are issued to anyone holding a regular library card. People who plan to go out of town for the summer will thus be enabled to take a supply of books with them, and will not have to return them until October 1st unless they wish to. There is no red tape necessary in obtaining this card. Just come to the library and get your books any time.

A strong and inspiring production is this picture of society. It contains a wealth of social glamour, and unfailing source of appeal. The types are well chosen and the production moves with authority thru many complicated and difficult situations. It has many flashes of real humor, and while it probes well below the surface of certain sordid phases of high social life, it retains a pleasant and agreeable tone.

Vacation Bible School

The D. V. B. S. has decidedly gone over the top with an enrollment of 131. It is believed now that the total enrollment will reach the two hundred mark. The boys and girls are enthusiastic over the work of the school.

Last week the school enjoyed many fine stories. The singing was good. The boys did scroll saw work, Carpenter work, made hammocks, etc.; while the girls sewed, made beads, baskets, etc. Brass work will be begun this week, also decorations with sealing wax.

The school has written its own booster song and yells which were given, by special request, before the Sunday school last Sunday.

A big picnic is planned for next Friday when the whole school will be taken out for an all day picnic. Then on Sunday evening, Aug 1, an exhibition and program will be put on in the church, to which the general public is invited.

Free Coffee at Band Concert

Committees of the Englewood Business Men's, Englewood Commercial and Civic and Auburn Park Business Men's Associations met together at the home of Mrs. Albert J. Fisher last Tuesday evening to further the arrangements for the community gathering and band concert by the Chicago Band at Hamilton Park, 72nd St. and Normal Ave., on Friday evening, July 30th.

Many members of the Englewood Business Men's Association with their families will spend the entire evening in this manner and all lovers of good music are welcome

It has been suggested that families bring their suppers with them and have an outing at the park, making a real picnic party of the event Coffee and cream will be served by the committees but visitors must bring their own sugar, cups and pitchers or pails.

The Chicago Band is famous throughout the country for its splendid talent and ability and the beauty of their concerts is worthy of a large attendance.

Weeds Beating the Gardens

The gardens in Englewood are about to yield a crop for their owners, but in many cases this will be almost impossible because the owners have been negligent in caring for their gardens.

The supervisor is out almost daily visiting these gardens registered with the Englewood Garden Association and he finds them fairly good on the whole.

In the majority of cases where the gardens are not so good, the chief factor against their non-production has been weeds. The gardeners should be especially energetic at this time plugging out these destroyers of a good crop. Many a garden is losing its value in these last few weeks due to these weeds. Lack of water, works against the best results also.

On Tuesday, Sept. 14th it is planned to have an exhibit of things raised This is not only for those who have their gardens registered with the Englewood Garden Association, but any Englewood gardener. Several good prizes will be offered for the best exhibit.

There is no use sending us "copy" later than Wednesday afternoon, as we cannot possibly publish it. Every week we are compelled to make this announcement, but some people seem to think we can accept "copy" up to Thursday and send it to us, and if not available for the next issue we must consign it to the waste paper basket.

Think "Light" Bonds Not Defeated

Residents of the dimly lighted far south side will seek a court order today directing a recount of the vote by which the proposed $15,000,000 bond issue for the extension and rehabilitation of the lighting system lost at the spring election.

Assistant Corporation Counsels Frank S. Righeimer and Morton S. Cressy, will appear before Judge Barrett to oppose the request in the name of the city, but their opposition is expected to be merely perfunctory.

"If the petition shows good cause for a recount we will not oppose it," Mr. Righeimer said. "If a majority of the voters favored the bond issue, the people should have the lights."

Irregular Count is Charged

The petition is brought by Fred A. Horlock, 7731 Oglesby Ave.; James Murphy, 5601 S. Robey St.; J. H. Civlek, 8015 Houston Ave., and P. Callahan, 9830 Vanderpoel Ave.

It alleges irregularities in the original count, which showed the bond issue defeated by about 3,200 votes. Election clerks in a number of precincts reported the same vote on all five bond issue proposals, and the petition alleges the clerks failed to tabulate the vote on the propositions separately.

Claim Lighting Proposal Wins

A recount, the petitions say, will show a gain of at least one and one-half votes a precinct, which would be sufficient to carry the lighting proposal.

A perfect day filled with happiness for all is just one way of telling about the community picnic given in Ridge Park on Tuesday for the mothers and children from the Chicago commons. This annual affair is under the supervision of the philanthropic department of Bethany Union church. The generous lunches, the games, the fine automobile rides were immensely enjoyed by the tiny guests and their mothers. As a tribute to those who helped to make the affair a success we will say: "It is not what we give but what we share" that brings the full measure of happiness.

Bonus of three months' pay ($90) now allowed to all men enlisting or re-enlisting for three years, regardless of enlistment period or date of previous enlistment.

If interested, call or write this office and I will be glad to give any or all information in detail as to what the army schools at different camps are doing, what is being offered in the line of learning a trade, or the chances of seeing Panama, China, Philippines or Germany.

Young man, think this over and come up and have a talk with the sergeant and he will convince you that you are passing up a wonderful chance if you do not take advantage of what your Uncle Sam is offering in this new peace time army.

Vacation Loans

Man does not live by bread alone. Even while on a vacation one gets bored sometimes. What we all want is some congenial method of relaxation and something that will amuse us. The less effort required to secure the amusement, the better. For such a purpose, books are ideal. They are always right there, and always ready—the ever present entertainer—if you make use of the public library vacation loan privilege.

Vacation is the time to read those books you have always intended to read. Have you chosen your vacation books? If not, we will be glad to help you make a selection. If you are going away, books will help you attain that rest, help you forget the office at home. A good book and a shady nook! Remaining in Chicago, books of travel will take you on a long trip into the cool mountains of the east or west, or even Alaska is a pleasant country for traveling on a hot day.

A suggested list:

Bates, Frank—Camping and Camp Cooking. If you're planning a hike or a camp, tuck this little volume in your grip.

Ellis, Havelock—The Soul of Spain. Delightful blend of the comments of a traveller, and the observations of a keen student of social affairs.

Johnson, Clifton—Highways and Byways of New England. Written about the picturesque and historically attractive country from Maine to Rhode Island. Valuable information concerning automobile routes and many suggestions of interest to tourists.

Longstreth, Thomas—The Adirondacks. An account of the early history, settlements and Indian tribes in New York state's natural park, by two friends who walked and motored there. Has generous guide book material.

Mills, Enos—Your National Parks. A complete historical and descriptive guide to national parks. A list of books, including government publications, is given.

Rhodes, Harrison—In Vacation America. Five pleasant essays. Good reading even for the stay at home.

The American's Creed

"I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign nation of many sovereign states; a perfect union, one and inseparable, established upon those principles of freedom, equality, justice and humanity, for which American patriots sacrificed their lives and fortunes.

"I therefore believe it is my duty to my country to love it; to support its constitution; to obey its laws; to respect its flag; and to defend it against all enemies."

THE HARVARD E.A.R.

Friday and Saturday July 23rd and 24th William Farnum your popular star, in his latest and best production "The Joyous Troublemakers." "The Joyous Troublemakers" is a very fine production from every point of view. The story is of a youth who finds gold by accident where men have long sought it in vain. The greed and jealousy of the thwarted seekers make wealth a dangerous possession, but the possessor in this case smiles through it all until one day something happens that involves the girl he loves. Then he frowns and stirring events follow fast and furious. Also a good Mack Sennett comedy 'The Quack Doctor.' It's good for a rip raring laugh. See it.

Sunday, July 25th Katherine MacDonald in "Passion's Playground." The best thing Katherine MacDonald has done to date is this story of a convent bred girl who goes to Monte Carlo, and because of her winnings becomes the center of attraction. To save a girl friend who has run away from the convent with a married man Mary Grant keeps silent and by so doing admits herself as the guilty party. Then she disappears and but for the timely intervention of an old friend Prince Vanno Della Robbia who loved the beautiful girl would never have found her. However things turned out all right. Also Century Comedy and International News. Matinee special, No 10 of "The Moon Riders."

Monday July 26th Lewis J Selznick presents the big National production "The Invisible Divorce" by Leila Burton Wells with a selected cast of stars. A strong and inspiring production is this picture of society. It contains a wealth of social glamour and unfailing source of appeal. The types are well chosen and the production moves with authority through many complicated and difficult situations. It has many flashes of real humor and while it probes well below the surface of certain sordid phases of high social life it retains a pleasant and agreeable tone. Also the usual added attractions.

Tuesday July 27th Goldwyn presents Will Rogers in "Jes Call Me Jim." "Jes Call Me Jim" is Will Rogers' finest picture. It is a perfect thing of its kind—a comedy with moments of pathos that will touch the warm understanding heart of humanity.

Wednesday and Thursday July 28th and 29th Anita Stewart and a notable cast in "The Yellow Typhoon." The girl and the woman. Behind the girl was massed the power of the Government. Her mission—hazardous in the extreme—tapped the very fountain of thrilling experiences. Behind the woman the world-old power of captivating beauty and alluring manners. "The Yellow Typhoon" they called her in the Orient because of the wreckage she left in her wake—simple men who saw not her tigerish heart. One day they met—the Girl and the Woman—like a lighted fuse and powder—and the issue between them was settled—as becomes the manner of the Female of the Species.

Friday and Saturday July 30th and 31st Ethel Clayton in "The Ladder of Lies." A very interesting society melodrama. Self sacrifice a theme when properly handled as in this case seldom fails to win an audience's favor. It is exactly the sort of picture likely to please the majority of movie patrons dealing as it does with complicated domestic relations and heart interest and you will find it a sterling attraction. Also Sunshine Comedy "The Jazz Band."

Harvard Photo Play Notes

The Harvard beautiful continues with its successful summer season the comfortable house the perfect ventilation and the general quiet lady like cosiness of the house makes it a favorite for these pleasant afternoons and evenings.

The programs for the coming week are excellent and begins Sunday and Monday, July 25th and 26th with Douglas MacLean and Doris May in "Let's Be Fashionable." Sh-h-h Keep it quiet! They're in love with each other. And they've been married a whole year. It isn't done you know. So he pretended to have a soul mate and she pretended to have a soul mate and then they were in style. And happy? Well no. You've got to see the picture to find out what happened. It's by a long shot the happiest comedy these two clever stars have ever appeared in.

On Friday and Saturday July 30th and 31st continuous from 2 to 11 P. M. they will present Harold MacGrath's Saturday Evening Post story "The Yellow Typhoon," a thrilling tale of mystery, intrigue and love with Anita Stewart, Joseph Kilgour and a notable cast of stars. The "Yellow Typhoon" is the title of a blonde and a brunette of a good sister and an evil one of the mysterious woman known as the "Yellow Typhoon" who held sway over the fortunes of a luminous Monte Carlo of how force of country meant more to Bertha Nordstrom than love of her sister and of how—oh but why spoil a perfect good story? Just come and see it for yourself and you'll agree with us that it's a pippin. Also usual added attractions.

On Tuesday and Wednesday, July 27th and 28th matinee and night comes Ethel Clayton's new Paramount Artcraft starring vehicle "The Ladder of Lies." It is interpreted as the ladder upon which man climbs to happiness. It is shown that this ladder must be founded upon truth for if it rests upon a lie it will surely fall ere man has reached the top. This is one of the most powerful themes which Miss Clayton has interpreted for some time. The support is excellent.

On Thursday, July 29th for one day and night only comes Tom Mix, the dynamic star and cowboy extraordinary in his greatest daredevil and most exciting and adventurous picture "Three Gold Coins." The story is one

In "The Grocery Clerk" he introduces the skinny one.

Friday and Saturday July 30th and 31st Cecil B DeMille offers the other side of "Why Change Your Wife" in his new edition of his famous production, "Old Wives for New."

Old Wives for New? Well I'm afraid
A lot of men might like to trade
And yet it only wives were clever
They'd keep their husband love forever

Remember when he used to call
How he was victim of your thrall
He thought that you were hard to beat
Back in the days when you were neat
He said "By Gosh! That girl is great
I'm lucky to get such a mate"

Do you think he likes his arms about
A woman who's untidy stout?
How can he call you "Poppy woppy"
If you have careless grown or sloppy?
If love is waning try a diet
And see this picture—it's a riot!

ANTONIO MORENO

Inspired by the advice of an American actress, Antonio Moreno joined a stock company at Northampton, Mass., after completing his course at Willistown Seminary. Soon he was engaged by Leslie Carter and later appeared with Constance Collier in "Thais." Then he went into silent drama and played with Edith Storey, Irene Castle and Pearl White. Then Albert E. Smith, president of Vitagraph, placed him under a long-term contract and introduced him to the serial. His fiery black eyes, black hair, complexion of "golden pallor" and a talent for expression make him the ideal type for the screen.

That merry team, MacLean and May, again appear in one of their joyous comedy dramas.

Though they haven't been seen in many productions nor for so long a time, everybody knows this twain. Their work is so clean cut, spontaneous and wholesome! Both rairly radiate the joy of living. There's a laugh in their lines and a thought behind the laugh.

This time they take you with them to Elmhurst-by-the-Sea, where if one would be fashionable one must have an affinity.

They are the Langdons. They have only been married six weeks and as regards the affinity game are hopelessly old-fashioned. They are entirely wrapped up in each other; and their house, and their garden hose, and their brand new—

Charles Ray —IN— Homer Comes Home

This is an agreeable comedy-drama, with a plot which takes an original twist, contains a pleasing love romance, amusing situations, is not devoid of suspense and holds its interest to the end. The financial ambitions of Homer Cavender arouse a certain measure of sympathy, while at the same time his ingenious methods of realizing them are productive of mirth. His visit to Mainesville and the manner in which he succeeds in awakening the interest of the people to the extent of investing in the factory project is especially amusing.

JEAN PAIGE

Jean Paige never appeared on the stage and in fact she never made a picture until she came to the Vitagraph studio and was given a role in an O. Henry two reel feature. She is the product of a farm in Paris, Ill., and, like the farmer, makes hay while the sun shines. Soon Miss Paige was leading woman for Harry T. Morey and later for Earle Williams in "The Fortune Hunter," and now she is being co-starred with Joe Ryan in a serial.

Paving Must Be More Substantial

Almost everyone has noticed that many miles of comparatively new laid paving is ruined after the long winter, and very little service got out of it. The cause is the extremely light foundation, as well as light top dressing. These light pavements were good enough for the one, or at most two ton loads of years ago, but with trucks carrying ten to twenty tons they crumble up like ginger bread. Even the boulevards are disintegrating and are less serviceable than formerly as the constant travel of the thousands of cars, even though they be light in weight, wears off the top dressing and the cold and damp plays havoc with the skimped foundations. Specifications for paving hereafter should specify much heavier foundations, or loads and travel should be limited, or few jobs of paving will last until the last assessment is paid on them.

SULLIVAN'S SENSE AND NONSENSE

The Human Touch

'Tis the Human Touch in this world that counts,
The touch of your hand and mine,
Which means far more to the fainting heart
Than shelter and bread and wine.
For shelter is gone when the night is o'er,
And bread lasts only a day—
But the touch of the hand and the sound of the voice
Sing on in the soul alway.

It is dead easy to make trouble and find excuses.

Jokes on marriage are funny to those not married.

Casey says: "Temper is a mighty good thing to have, but a mighty bad thing to lose."

I don't believe in murder, but a fellow that keeps a-going on those screeching whistles attached to small auto trucks should at least get a beating.

Naturally I feel grateful to my newspaper friends for mentioning my name as ambassador to Ireland, but what's the matter with making it treasurer where the money is?

Everyone in the shop laid off a day this week picking the fish bones from their teeth—John Foster returned from the northern fishing grounds.

The little daughter of a conductor attended church last Sunday and put a nickel in the plate. She gravely reported to her mother: "Mama, the man didn't ring up my nickel."

Dr. Robinson was called to attend a small boy who had swallowed a dime. The next time he met the boy's father he asked "if the boy had got over his financial difficulties."

"Umbrella Mike" Boyle, just as a sample of what he is going to do in retaliation for being sent to the Bridewell by Judge Landis, called a strike of the electrical workers of the surface lines and made half the city walk to work. Incidentally several people were killed, and a dozen injured, but "Mike" isn't bothered about that.

I have built a number of houses and seen several more, but never yet have I seen one that had enough closets in it to suit gentle woman. I had one with eight clothes closets and triumphantly announced, "Well, isn't that enough for your clothes?" "Oh, yes, dear, but then you will want a corner of one, you know, for your clothes," answered the "fair one."

A manufacturing concern sent urgent demand to a delinquent dealer, and finally sent a representative. "Why haven't you paid your account, or at least written us?" he asked. "My dear sir," responded the delinquent, smiling, "those collection letters from your firm are the best ever. I am sending copies out to the trade, and it's wonderful how many old accounts I have collected. I haven't paid my bill, as I felt sure there was another letter in the series. I have had some hard customers to deal with and I needed the last letter."

Some time ago a young man became very much enamored of a beautiful girl, and, meeting her at a reception one night, he determined to know his fate. "Miss Smith," said he, leading the beautiful girl amidst the glad palms and seating her on a soft sofa, "there is something very important that I must tell you, something that I—" "All right, Mr. Jones," interposed the pretty one, "only you must hurry. I don't want to miss the next waltz" "It is a question that lies near to my heart, Miss Smith," continued the young lover, "could you—do you think you could marry a man like me?" "Why, yes," was the calm rejoinder of Miss Smith; "that is, if he wasn't too much like you."

Dr. Smith Thomas Ford, former pastor of the Englewood Baptist church, while ordinarly serious, enjoys a good joke as well as anyone I know of, and by the way can tell as good a story as the best of them. Here is one he reeled off in the office yesterday. "I visited a school one day where Bible instruction was a part of the daily course, and in order to test the children's knowledge asked some questions. One class of little girls looked particularly bright, and I asked the tallest one: 'What sin did Adam commit?' 'He ate forbidden fruit.' 'Right. Who tempted Adam?' 'Eve.' 'Not really Eve, but the serpent. And how was Adam punished?' The girl hesitated and looked confused. Behind her sat a little eight-year-old girl, who raised her hand and said: 'Please, pastor, I know.' 'Well, tell us; how was Adam punished?' 'He had to marry Eve.'"

In Local Politics

Englewood will have some place in the fall elections if indications are right. Charles W. Vail will probably be renominated on the Republican ticket for clerk of the supreme court of the state. William H. (Doc) Reid wants the nomination for secretary of state and will contest with Louis L. Emerson, the present encumbent. "Doc" will of course have the Thompson backing. We have lots of candidates for congressman, among whom besides our own W. W. (Billy) Wilson, the present incumbent, may be mentioned Elliott W. Sproul, Percy Baldwin and John N. Stewart, the well known G. A. R. man, all of whom want the Republican nomination, and the Democrats come forward with Thomas M. Crane of West Englewood, Charles A. Weber, Ed. A. Eckman, Charles McDonough, and John A. Dailey. For state representatives of course our friend Wm. M. Cruden wants to succeed himself when he has finished his duties as delegate to the constitutional convention; Edward B. Lucius is of like mind, but P. M. Geissler, J. M. Evans and Calvin T. Weeks will contest in the primaries, while the Democrats will be satisfied with Frank J. Ryan, who is a candidate for the seventh term and made an excellent record in all of them. The grand free-for-all is now open and times are likely to be pretty lively. Although only those mentioned have filed their petitions, many more are liable to come to the surface before the bell rings for the start.

The Chicago Band to the Rescue

The music-loving communities tributary to Hamilton Park, which have felt sorely disappointed at the decision of the South Park Board not to give any concerts in the park during the summer, are delighted now to learn that Hamilton Park is to have at least one big musical evening. On Friday, July 30th, at 8:15 the Chicago Band of forty-one pieces will present one of its justly popular programs at this popular park.

The Chicago Band goes to Hamilton Park through the courtesy of the Thirty-second Ward Auxiliary to the Band Association, the membership of which embraces representatives of the various civic, business and social organizations throughout the ward. Through the efforts of this committee a get-together community picnic is being arranged for the same evening, to occupy the time from six o'clock until the concert begins.

Free coffee will be provided by the community committee, the picnickers being asked to furnish their own cups and sugar.

A live evening and a good time is in store for all who will take advantage of it. Tell your neighbors and friends that everybody is cordially invited to participate in this basket supper and attend the concert which follows.

The Chicago Band does things in a big way and will give a delightful entertainment. Pack your baskets and be at the park ready to welcome it.

The Englewood Y. M. C. A. In Summer

Though the Hi-Y work is at a low ebb during vacation days, the Englewood Y. M. C. A. is by no means in a period of inactivity.

These are the camping days, and the sounding of the call to the woods and lakes has been one of the things that has kept the little office at 63rd and Harvard ave. very busy. Six boys have gone to the cherry picking camps on Sturgeon Bay in Wisconsin. Every Monday a new group of boys go to the Y. M. C. A. boys' camp near Blue Lake in Michigan. There is still room at the Michigan camp for any number of boys of 12 years or over and should you have a boy to send get in touch with the Y. M. C. A. immediately. One group leaves Monday morning, July 26th, and the last group leaves Monday, August 2nd. Two-thirds of the boys who went with the first group for the two-week period are staying another two weeks because they like it so well.

The promotion of gardens is another task which these summer days bring on. A secretary is out daily, inspecting gardens and giving the gardeners help and advice.

In the summer days boys love to make kites and fly them. Hundreds of boys from every corner of Englewood have come to the Y. M. C. A. at 63rd and Harvard ave. to get sticks and paper. It has been a pleasure to meet these boys and help them as they make these kites. Some of the older fellows are making model aeroplanes. The observer can only say that the boys make very fine flyers of all kinds, shapes, colors and designs.

Improvements in the club-room and plans for the heavy winter work all take up much time. Englewood Y. M. C. A. is very busy in summer as well as winter.

A Very Worthy Institution

It has been over twenty-five years since the writer visited the Academy of Our Lady at 95th and Throop sts. Although we have kept track of it in a general way, we had no idea of the wonderful growth and progress this most worthy institution has made under the good Sisters of Notre Dame. From a small start, they have built up a magnificent college with the most modern buildings and equipment and a larger building is now under construction. The grounds are large and beautiful, with delicious shade trees, pretty walks, lagoons, bridges, shrines, and even a band stand and dancing platform. The accommodations are for about 200 pupils and already the applicants are taxing the space awaiting the opening of the new building which it is hoped to open in September. The wonderful work of the pupils in art, music and painting as well as the solider branches of learning from the "three R's" to the highest accomplishments is evidenced in every part of the institution, and we may well be proud to have such a school as Our Lady Academy in our midst. Pupils from all parts of the United States as well as foreign lands are enrolled, and the words of praise we heard from parents leads us to add our own to their experienced comments. The good sisters invite a call from parents or guardians seeking a school for their children, and we are sure it will be a revelation to many to visit them

Elliott W. Sproul for Congress

One of the surprises this week was the filing of a petition and entrance of our old friend Elliott W. Sproul of Beverly Hills in the contest for the Republican nomination for congressman to be decided at the primaries in September. Mr. Sproul is an old timer in Englewood and lived for many years at 65th st. and Yale ave. He was in the contracting business for many years, and in fact is again actively engaged with his son. Mr. Sproul served one term as alderman of the 32nd ward and was one of the leaders in the party councils up to the time he was compelled to retire by ill health. He has entirely recovered and upon the solicitation of many friends has consented to allow his name to go before the primaries. He has received the endorsement of the Thompson Republican organization.

William Morris, chauffeur for Judge Horner, is reported to have attempted to shoot himself over in Hyde Park over a girl he was in love with. Morris lives at 6123 Princeton ave. All this happened Monday night, and William is now sorry.

Mr. Clemmons Leaves the Times After Eight Years' Service

After eight years connection with the Times, Mr. Homer Clemmons will sever his connection with us Aug. 1st to accept a position on the Republican of Iowa City, Iowa. Mr. Clemmons has been a faithful and energetic advertising man, and has made many friends in commercial circles in Englewood and the management of the paper is loath to part with him, but believing the new position offers better opportunities than there is here we wish him all success and prosperity. Mr. Clemmons will leave for Iowa City next week and his family will join him later.

Thos. J. Campbell Drowns

The thousands of friends of Thomas J. Campbell, the real estate man at 6241 Ashland ave., were shocked Sunday to hear of the accidental drowning of this popular citizen and business man. He was fishing from a boat with his son, Harold, and his son-in-law, John A. Dailey, in Lake Geneva, when the lake became rough and capsized the boat. The younger men were saved but their best efforts could not save Mr. Campbell, who sank about 600 feet from the golf club grounds. Mr. Campbell lived at 6042 Marshfield ave. The remains were not recovered until Wednesday. The funeral will be held from St. Theodore's church this morning at 9:30. Burial will be at Mt. Olivet cemetery.

Death of Dr. James P. Smith

Dr. James P. Smith, who has practiced dentistry with considerable success in the Merrick building for the past 16 years, died at the home of his sister, 5239 Calumet ave., last week. He was stricken with pneumonia while on his vacation in Wisconsin and lived but a week after. He was 50 years of age, and had made many friends not only in his home at Morgan Park, but in Englewood and all parts of the city. He was an ex-president of the Englewood Dental Society and was a leader in establishing the free dental clinic. His funeral occurred Saturday afternoon at the Morgan Park Congregational church. He leaves besides his wife two children, Dorothy and Everett, who have the sympathy of a host of friends.

The two sons of Mr. and Mrs. Charles Wilson, Robert and Donald, of 452 61st st., in company with their aunt, Miss Margaret Wilson, of 6221 Stewart ave., are enjoying a trip through the east. They will be gone several weeks.
